ALDAU
VILLAGE MALL

JOY OF EFFORTLESS SHOPPING

Introduction

ALDAU Village Mall is a premium retail destination on Hurghada's touristic promenade, offering over 60 units of shopping, dining, and entertainment within 16,400 SQM of leasable space. With a blend of local and international brands, the mall provides a unique village-like experience, positioning Hurghada as a luxury destination for both tourists and residents.

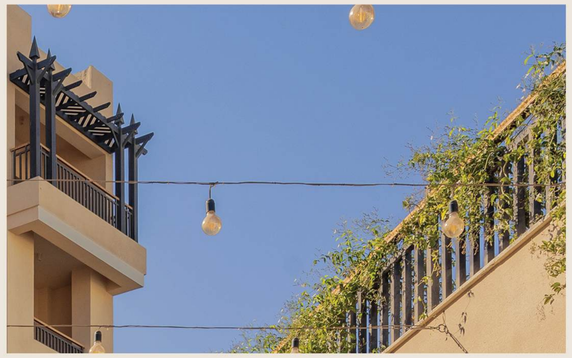
About ADD Properties

ADD Properties, a subsidiary of Sami Saad Holding, is one of Egypt's largest private holding companies, operating in sectors such as construction, automotive, consumer goods, and real estate. It manages two divisions, Real Estate and Hospitality, with notable projects including luxury hotels in Hurghada like Steigenberger and residential developments like Pyramids Heights, ALDAU Heights and AIDAU Strand. The company is expanding both domestically and internationally, with major projects underway in Egypt and a 55-story mixed-use development in West London.



02

About Sami Saad Holding

Established in 1962, Sami Saad Investments is a family business diversified into its main sub-holdings: Samcrete for engineering, construction and related development; ADD Hospitality for hotels, tourism and related developments; NATCO for automotive and related industries; Corona for food industries and finally ADD Properties for real estate.

Dine
